STAMBENI OBJEKAT / RESIDENTIAL BUILDING

STAMBENI OBJEKAT br. 1 / RESIDENTIAL BUILDING no. 1

Stambeni objekat u Vrnjačkoj Banji sastoji se iz dve stambene zgrade, koje su iste stambene strukture. Zgrada se sastoji od podruma, prizemlja, dva sprata i povučenog sprata. Podrum je predviđen za podzemnu garažu, dok su sve ostale etaže stambenog tipa. Svaka etaža poseduje lift. Strukture stanova su garsonjere i jednosobni stanovi. Kao posebnu pogodnost bismo izdvojili to što svaki stan poseduje dvorište ili terasu. Stanovi su pažljivo osmišljeni da pruže komfor i funkcionalno stanovanje. Arhitektonsko građevinski radovi su visokog kvaliteta.

The residential building in Vrnjci Spa consists of two residential buildings, which are the same residential structure. The building consists of a basement, a ground floor, two floors and a detached floor. The basement is intended for an underground garage, while all other floors are residential. Each floor has an elevator. The apartment structures are studios and one-room apartments. As a special convenience, we would single out the fact that each apartment has a yard or terrace. The apartments are carefully designed to provide comfort and functional living. Architectural construction works are of high quality.
